

***Oreophilus compositus* (Luer & Escobar)
Archila comb. nov.**

Basionym. *Lepanthes composita* Luer & Escobar, *Orquideologia* 19(2): 88, 1994.

Synonym. *Brachycladium compositum* (Luer & R.Escobar) Luer.

Etymology. From the Latin *compositus* of different parts, in allusion to the similarity of certain floral parts to those of other species.

Colombia: Dept. of Risaralda; epiphytic in forest remnant above Pereira alt. ca. 2000 m, Jan 1993, *A.de Wilde 397* (Holotype MO) C. Luer illustr. 15680.
